Animals will be exhibited prior to fair at the Benton County OSU Extension office. Exhibitors will need to complete this entry form and contact the 4-H office to sign up for a judging time slot for **Saturday, July 27, 2019**. A member may enter up to two animals. Animals must be different species. Animals will be shown one at a time individually and animals must arrive and remain in their cages/enclosures until shown. Once animals are judged they are to be placed back in their cages/enclosures and then taken home. Pets and Exotic Animals will not be attending or shown at the Benton County Fair.

Exhibitors will be expected to bring their animal in a suitable cage/aquarium that is escape proof and also accessible so the animal can be removed and shown to the judge if appropriate. Participation in this category will need to be pre-approved by the County 4-H Agent and Small Animal Project Superintendent to ensure proper space and accommodations are available. Other rules may apply, see the Benton County 4-H Fairbook for all of the details.

Dog\* - There are no cross entry's allowed between showmanship and Companion Pet categories, members will either choose one or the other. Multiple dogs could be used if members chose to enter both classes.

Is this the first time you are participating in the 4-H Pets and Exotic project?  YES  NO
