

High Desert Garden Tour

Join us for the 25th Annual High Desert Garden Tour on Saturday, July 20, 2019 from 9:00 am to 3:30pm in the Culver/Madras area. This annual event presented by the OSU Extension Service and Central Oregon Chapter of OSU Master Gardeners™ is an educational and fun opportunity for gardeners to see a variety of garden styles and plant choices they can have in their own yards. It is a self-guided tour of six gardens with hundreds of participants where we staff OSU Master Gardeners™ at

all locations to answer gardening questions throughout the day.

Ticket books are available for \$10.00 per person at local businesses.

New this year. A van pool, leave the driving to us! We will be driving 12 seat passenger vans. Only 48 spots available and you must reserve and pay ahead of time. \$10 per seat plus \$10 for the ticket book.
