

## High Desert Garden Tour

Join us for the 24th Annual High Desert Garden Tour on Saturday, July 21, 2018 from 9:00 am to 3:30pm in Bend. This annual event (held on the third Saturday of July) presented by the OSU Extension Service and Central Oregon Chapter of OSU Master Gardeners™ is an educational and fun opportunity for gardeners to see a variety of garden styles and plant choices they can have in their own yards. It is a self-guided tour of six gardens with hundreds of participants where we staff OSU Master Gardeners™ at all locations to answer gardening questions throughout the day.

Thanks you to our generous sponsors of the 2018 Garden Tour:
