YOUTH PREPAREDNESS OPPORTUNITY FOR YOUTH

Youth grades 7-12
Do you have an interest in preparing yourself, your family, and your community for unexpected or surprise events such as natural disasters? Then we have an opportunity for you! The My PI (Preparedness Initiative) project trains you in the CERT (Community Emergency Response Team) curriculum and prepares you to return to your community to assist others in preparing. Many skills learned come in handy for everyday living as well! Check in Friday, January 24, 2020 from 4-5 pm at Cascara Hall, located on the Oregon 4-H Center outside of Salem. The hall has rooms with 4 bunks (including vinyl mattresses); bathrooms and showers. You will need to bring your own bedding, towels and toiletries. Parts of the training will be held outside. Due to the possible wet weather conditions, please dress accordingly. The training will end on Sunday, January 26, 2020 following lunch. Participants will need to arrange their own transportation (carpooling may be available in your county, please contact Ruth at 541-247-6672 or ruth.dixon@oregonstate.edu)

The cost is $100 per person. This includes meals and lodging. Since this training focuses on community service, your county associations may be able to help offset the cost of the training. There is a limit of 20 youth participants so register now. Questions? Call Lynette Black at 541-296-5494 or Ruth Dixon at 541-247-6672
