

OPEN UP TO PERFORMING ARTS

Explore the world of performing art!

Youth ages 12-18 are invited to gather, experience performances in a new way, share their insights, and learn from others' perspectives.

This short-term club will have six sessions in September and October. Participants will:

- Attend four live performances (ticket prices are included in the registration fee)
- Learn a framework for appreciating the performing arts
- Engage in hands-on activities
- Participate in club discussions
- Discover personal value from an emotional connection with the arts

Meetings will be in the Oregon City area. Carpooling to performances will be from Oregon City.

Parents are not required to attend, but are welcome to stay at the club meetings. Extra tickets may be available for some performances.

REGISTER BY SEPTEMBER 18
