

4-H LEGO Camp 2024

Interest Form for Older Youth LEGO Camp Helper

Please Return to the Lake County Extension Office by July 12th

Over the last several summers the OSU Extension Office has offered a very popular summer 4-H LEGO Camp to youth entering the 2nd – 6th grade. Each summer we seek three older youth volunteers (ages 14 and up) to assist in delivering the LEGO Program. We are looking for older youth volunteers who enjoy working with youth, science, and LEGOS. Volunteers will be paid a monetary stipend for their time.
