Thank you to Elkhorn Media Group (104.7 KCMB). Without your generous donations the 4-H Radio Auction wouldn't be possible!

The Annual 4-H Radio Auction is a fundraiser that benefits both youth and adult leaders throughout Union County. Our Union County 4-H program reaches over 350 youth with over 100 volunteer 4-H leaders, and numerous other volunteers who serve on boards and committees for the organization. We often have donations ranging from cookies and quilts made by 4-H members to vacation packages, landowner preference hunting tags and hand-crafted items from local artisans.

The funds generated by the auction are used for but are not limited to: volunteer training, out of county travel for 4-H members and leaders, 4-H Camp, trophies and awards for the Union County Fair, special recognition for State Fair delegates, scholarships and support for the Blue Mt. 4-H Center, a 4400 square foot lodge plus 12 cabins, that are used for our annual 4-H camp and other community events.

For more than 100 years, 4-H has assisted youth in acquiring knowledge, developing life skills, and forming attitudes that will enable them to find their "spark" and become self-directing, productive members of society. With more than 6 million members, 4-H is the largest out-of-school youth program in the United States. Oregon State University 4-H Youth Development Program has connected thousands of local youth to engaging hands-on learning opportunities and supportive adult partnerships.
