

# Taking Care of Your Forest Road

Maintenance Considerations for Small Woodland Owners

**SATURDAY  
FEBRUARY 15, 2025  
10 AM -NOON**

**COOS COUNTY EXTENSION OFFICE**

**631 ALDER ST. MYRTLE POINT, OR 97458**

**\$10 PER PERSON OR \$15 FOR TWO**

This Saturday classroom session is designed for landowners with forest roads.

Learn about road fundamentals and critical maintenance activities that will help you keep your valuable forest road assets in good condition. We will cover monitoring and record keeping and common problems to look out for when maintaining a forest road. Participants will become familiar with basic design principles, surface types, and drainage considerations. Additional topics covered include the new ODF Road Condition Assessment (RCA) requirement for small woodland owners,
