

Dry Something New: Making the Most of Your Dehydrator

Food dehydrators are one of the most underutilized pieces of food preservation equipment and the Master Food Preservers are on a mission to change that! Whether you want to learn more about one of the best ways to preserve your harvest for long-term storage, or you're a pro whose creative juices have evaporated, we've got you covered.

We will share our dried and true tips, tricks, and recipes for decadent treats, healthy snacks, camping and hiking meals, DIY spice mixes, and more!
