

Feeling Saucy?

Stop playing ketchup with your tomato harvest and let the Douglas County Master Food Preservers help you put your Early Girls and Better Boys to work in the kitchen. Plum our knowledge as we prepare cherry-picked recipes to help you learn the techniques you'll need to fill your pantry with sauces, salsas, and more! Participants will receive hands-on training in water bath and steam canning, sample some a-peeling dehydrator recipes, and learn tips to avoid getting burned while freezing.
