What? Open to all 4-H Horse members, at all skill levels from around the state. This will be an overnight camping experience on the Deschutes County Fairgrounds in Redmond, Oregon. Members' horses will be stalled, members will sleep in a separate barn area split up by gender. Adult chaperones will be present 24 hours per day. Showers and restrooms are available. Members will work with their horses and expert instructors daily. They will enjoy guest speakers employed to increase participants' horsemanship skills and knowledge. Members will take care of their own horses, including feed, water, saddling, etc. Members will work together to cook meals and enjoy evening activities.

Who should come? Open to all 4-H members, diverse skill levels are great. Horses should be under control and ready to be in an arena with other horses. This is NOT a "fix the horse behavior" clinic. This is a hands on opportunity for members to work with 3 exceptional and experienced 4-H Judges and Instructors. Members should be safe and able to walk, trot and lope their horses in both directions safely. Members may ride either English or Western. This is a mounted camp, so participants should expect to ride their horses. Members must also be capable of feeding and caring for their own horse.

Where? This camp will be held on the Deschutes County fairgrounds in Redmond, Oregon. It is an overnight camping experience.

When? The camp begins at **10 am on Monday morning**, June 20; members may arrive on Sunday night, after 6 pm by appointment; night supervision will be available. The camp concludes on Wednesday at 3 pm and participants should be picked up at that time.

Why? Because 3 days of equine focused education is fun! This is a great pre-fair preparation opportunity.

Cost: \$325, covers camp, t-shirt, all meals (3 breakfasts, 3 lunches, 2 dinners and snacks) \$100 deposit holds your spot, space is limited.

Please give us the courtesy of registering before June 10 .
Registrations after June 10 will be charged an additional \$50

Can you come as a family and camp in your own trailer/tent?

She went on to show ABRA Buckskin horses; enjoying Showmanship, Western, English and Trail. Anne has also worked on a cattle ranch and enjoys trail riding with her husband.
