Get ready for the Annual 4-H Radio Auction, a fantastic fundraiser that supports both youth and adult leaders throughout Union County! Our vibrant Union County 4-H program engages over 350 youth, guided by more than 100 dedicated 4-H volunteers, along with numerous other volunteers who serve on boards and committees.

This event is always a highlight, featuring an incredible array of donations. You can bid on everything from delicious cookies and beautiful quilts made by our talented 4-H members to exciting vacation packages, exclusive landowner preference hunting tags, and stunning hand-crafted items from local artisans. Don't miss out on this wonderful opportunity to support our community and take home some amazing items!

The funds generated by the auction support our 4-H program throughout the year. They are used for a variety of activities, including bringing in trainers to support program growth - like our shooting sports program, supporting travel for 4-Hers who qualified for national teams, like Kelbie Jones, who was a member of the Family Community Health National Skills team, and Danner Burton who was a member of the National Shooting Sports team in 2025. These funds also help keep our popular 4-H camp running and affordable for families across the county!

Additionally, the funds help provide awards for the Union County Fair, special recognition for State Fair delegates, and college scholarships. They also support the Blue Mt. 4-H Center, a wonderful 4,400 square foot lodge with 12 cabins, which hosts our annual 4-H camp and other community events. Your contributions make a huge difference in enriching the lives of our 4-H members and leaders!

For over a century, 4-H has been empowering youth to acquire knowledge, develop essential life skills, and discover their unique "spark" to become self-directed, productive members of society. With more than 6 million members, 4-H proudly stands as the largest out-of-school youth program in the United States.

Here in Oregon, the Oregon State University 4-H Youth Development Program has connected thousands of local youth to engaging, hands-on learning opportunities and supportive adult partnerships. These experiences help shape the future leaders of our community, fostering growth, creativity, and a passion for lifelong learning.
