4-H Association Scholarship Committee

Process of Selection

The 4-H Association will provide two \$500 Scholarships to members planning to attend a college, university, or trade school.

Applications are available at the Extension Office: 2011 Marine Drive Rm 210, Astoria, OR

Application will be returned to the Extension Office. The Committee members may review the applications and vote at the office prior to fair. Three committee members will be appointed by the Association. The committee will recruit 2 additional persons to review the applications and vote each year.

In the event a Committee member abstains due to conflict of interest, that member will recruit a replacement to review applications and vote for that year only. It is suggested that a committee member abstain in the event an applicant is a family member, and Committee members may choose to abstain for any other reason.

After reviewing the applications, each committee member votes for their first (3 points), second (2 points) and third (1 point) choices and the two applicants with the most points are each awarded a \$500 scholarship.
