Clatsop County Steer Sponsorship Program

Purpose: To provide an opportunity for a local Clatsop County youth, ages 9 to 19 years of age to participate in the 4-H program with a market steer project. This market steer program partners with the Hampton animal sponsorship program to allow a youth to raise a market steer animal where participation was prevented due to circumstances beyond their control.

The Hampton Lumber animal sponsorship program will supply a **LOAN** for feed costs that will be repaid to the Sponsor, Hampton Lumber, after the youth has received payment from the Clatsop County 4-H auction sale, in August 2025. Again, we hope to promote positive youth development, and life changing experiences through this program.

Care Guidelines: It will be the 4-H member's responsibility to locate a secured area for raising and caring of their animal. The 4-H member is expected to perform daily care duties as it relates to their animal; such duties as watering, feeding and cleaning stalls. They will also be responsible for preparing their 4-H animal for showing and auction in August 2025.

Eligibility: Youth applicants must be between 9 - 19 years of age; you must enroll in the Clatsop County 4-H program. A list of programs/leaders can be obtained from the:

Clatsop County Extension Office
2001 Marine Drive, Suite 210
Astoria OR 97103
503-325-8573

Requirements: The application filled out by the youth and parent or legal guardian returning it to:

Warrenton Lumber Mill
550 NE Skipanon Dr
Warrenton OR 97146

The committee will review all applications, interview finalist, and present sponsorship program(s). You will be notified about sponsorship outcomes.

The applicant must have the application form signed and dated from their parent or legal guardian. This is to signify they have read, understand, and agree to the terms of the sponsorship program that is being awarded to the youth, by the Hampton, Warrenton Lumber Mill.

The youth(s) awarded this sponsorship will email monthly updates and pictures showing the progression of the animal growth, feeding habits, care, financial records and overall upkeep to; warrentonHR@hamptonlumber.com

Hampton, Warrenton Lumber Mill will provide the winning applicant the funds for one market steer feed which will be provided by one of our local feed stores, some equipment for the animal care and pay their 4-H membership dues for 1 year.
