Program Updates

YQCA Certification Required for All 2026 County Fair Exhibitors

All youth planning to show animals at the 2026 County Fair must have current Youth for the Quality Care of Animals (YQCA) certification.

If you completed the official YQCA training, earned a certificate, and submitted it in 2025, your certification is already on record. Oregon 4-H recognizes official YQCA certificates for three years from the completion date listed on the certificate.

Please note: Webinar participation for Horse, Dog, and Small Animal from the 2024–2025 year will be honored for three years. However, if youth are exhibiting a livestock animal in the 2025–2026 year, they will be required to complete YQCA training.

Youth may complete YQCA online at www.yqcaprogram.org.

We're also excited to share that Morgan is now certified to offer an in-person YQCA training. The date is still to be determined—stay tuned for updates.

Completed YQCA list of youth can be found via this link: <https://beav.es/TN4>

(link is case sensitive)

List is as of July 2025.

Thank you for helping keep our livestock program safe, ethical, and high-quality for all!
