

2025 Coos Youth Auction Program Calendar

If you have a 4-H or FFA member who plans to raise an animal for the Coos Youth Auction, here are the important dates for 2025!

All youth who plan to auction this year (and their parent/guardian) are required to attend one of the two in-person orientations. Club leaders who have club members who plan to auction are also required to attend one of the two orientations. There will not be an online orientation option.

If you have questions about youth eligibility, check with your club leaders, the Extension office or a Coos Youth Auction Committee member.

More details will be emailed out as we get closer to each event.
