

Lake County Oregon 4-H & FFA Livestock Exhibitor Agreement

This agreement applies to all 4-H & FFA members currently enrolled in animal science projects.

I recognize that it is a privilege to exhibit my projects and will abide by the following guidelines:

1. I am an officially-enrolled member of a 4-H Club or FFA Chapter in the state of Oregon.
2. I have owned/leased my project animal(s) prior to the required county ownership deadline.

The official ownership date is the date shown on the bill of sale or receipt of sale, unless the animal was bred and owned by exhibitor, in which case, calving or birth records will be utilized. (Individual show rules may determine ownership requirements for non-market animals.) Registered breeding livestock must show the exhibitor or their immediate family as the sole owner of the animal on the breed association papers or certificates. In the case of leased animals, leases must be on file, for all 4-H members, at the County Extension Office by the county ownership deadline of June 1.

3. I will continuously own my project animal(s). If I sell my animal, I understand I may not repurchase the animal and continue to show it in the current project year. I may not show a market animal which has been previously sold at a county, regional or major livestock show auction or sale in which the ownership of the animal has changed hands after the county ownership date. Showing an animal for another individual by claiming ownership in order to show in a specific livestock class or event is prohibited.
4. I will do my own work and be responsible for the feeding and care of my animal(s).
5. My project is a reflection of my efforts. I will accept the results of judging with grace and demonstrate good sportsmanship at all times.
6. I will represent my animal(s) honestly and will abide by all county, state and show rules. I understand that treating an animal internally or externally in any way to misrepresent the true nature of the animal is prohibited.
7. I understand all medications administered during Fair must be under the guidance of a licensed veterinarian.
8. I agree to participate in drug testing if requested by show officials. Animals with residues of illegal drugs will be disqualified and I will be subject to repayment of any money received from the sale of that animal.
9. I will treat my animal(s) humanely and with respect and provide for their continuous well-being through proper feeding, handling, disease prevention, sanitation and attention to their safety. I understand if my animal has prolapsed, I am encouraged to work with a veterinarian to minimize this issue. I know animals showing evidence of prolapse or mechanical repair might be disqualified from exhibition.
10. I have read and understand the rules and regulations governing the 4-H & FFA Market Sale (found in the Fair Premium Book) and agree to abide by the conditions of sale.
11. The Oregon 4-H & FFA Programs reserve the final and absolute right to interpret these guidelines and to settle all matters, questions, and differences related to this agreement and will default to the National Show Ring Code of Ethics to assist in interpreting these guidelines.

A breach of this agreement or violation of specific rules as designated by individual fairs and livestock shows may result in forfeiture of premiums and awards, disqualification, loss of eligibility to sell through the 4-H & FFA Market Sale, and may result in probationary status and/or loss of eligibility for future participation in organized livestock competition.

I am verifying that I have read and understand the above terms and the consequences of and penalties involved for illegal, unethical, inhumane and unfair practices in livestock competition.

I attest that all livestock referenced by this document and transferred are of United States origin.
