## Livestock/Small Animal Lease Paperwork Reminder | June 1st

A reminder that all Livestock Lease paperwork is due June 1st by 5:00 PM at the Extension Office. Please make sure forms are completed & submitted on time to ensure eligibility.

Also, beginning June 1st, members assume full care responsibility of their leased animals, so be sure all arrangements are in place prior to that date.

Nothing urgent, but.....

Just over 90 days until the Crook County Fair kicks off!!!! Can you hear the fair buzz already? Smell the indoor arena dirt, the fresh shavings, and all those animals settling in? It's getting close—and we're equal parts excited... and just a little bit frightened

# Join Us for Our First-Ever Fair Kick-Off!

The stage is set. The dust is settling in the barns, trailers are parked, stalls are bedded down, and the fairgrounds are finally catching its breath after the big wave of arrivals. But don't get too comfortable.

On Tuesday, August 4th from 4:00-6:00 PM, just before the All Exhibitor Meeting, the calm breaks.

This is the Crook County Fair Kick-Off.

Food will be served, conversations will buzz, and youth will gather, not just to relax, but to witness something unforgettable. Because once the plates are cleared and the crowd settles in, the real entertainment begins.

Lights. Silence. Anticipation.

The arena is no longer just a gathering space, it's a battleground of knowledge.

Our leaders and volunteers step forward, not as mentors for this moment, but as competitors entering the arena of wits. Armed only with what they've learned over years of experience, fairground wisdom, and questionable confidence, they will face off in the ultimate Animal Quiz Bowl showdown. There are no livestock pens here. No show sticks. No halters.

Only buzzers.

Only questions.

Only survival of the quickest mind.

One by one, they will be tested—on species, feeds, genetics, anatomy, and all the things they've told youth they "should definitely know." Alliances may form. Confidence will crumble. A single second of hesitation could cost everything.

And watching from the sidelines... the youth will see it all unfold like a live arena challenge. Mentors turned competitors, knowledge turned weapon, pride on the line with every question fired.

Who will dominate the buzzer?

Who will blank under pressure?

And who will emerge victorious when the final question falls?

Let the games begin. Because when the clock strikes 4:00 on August 4th...

only the sharpest minds survive the arena.

Who makes the teams? You do!

Teams will be made up of 4 leaders/volunteers—whomever you choose to assemble into your dream (or disaster) squad. Each team will need a name, so get creative. Team uniforms? That's completely up to each team!!!! Go coordinated, go chaotic, or go full showmanship.

Questions will cover a wide range of topics including large & small livestock, horses, dogs, static & more... & yes, you might even be asked something like:

Can you name all the heads on Mount Rushmore?

**Please contact Carmin by July 1st if you are putting a team together.**

Fair week is packed with activity, so this is our chance to slow down, enjoy some friendly competition, & give our youth members the fun of sitting back & watching their leaders & volunteers battle it out for quiz bowl glory.

**The Fair doesn't just begin, it ignites!!!!**

## Crook County Extension Office Updates

Big things are happening at the Extension Office, and we couldn't be more excited to share the news!

Please join us in congratulating Carmin Shelton as she steps into the role of Office Lead! Her dedication, steady leadership, and deep commitment to supporting our youth, volunteers, and community have already made a lasting impact, and we're thrilled to see her take on this new chapter.

We're also celebrating Gina Hallam, who has officially accepted her permanent full-time position as Program Coordinator! Gina's energy, creativity, and heart for 4-H programming continue to shine as she helps build meaningful experiences for our members and families.

While we're celebrating these exciting updates, there will be no big changes to the day-to-day operations. Our office will continue to run just as smoothly as before, with the same friendly faces and support you're used to.

Together, this team, along with Reaza has been working behind the scenes and on the front lines to keep everything running smoothly, support our youth members, Leaders, and volunteers, and most importantly, bring a little joy and a lot of smiles along the way.

YAY!

# YQCA Certification

YQCA (Youth for the Quality Care of Animals) is required for ALL MEMBERS exhibiting animals at the County Fair. Youth only exhibiting Horse and/or Small Animal (this includes dog) will have the option to take the YQCA certification training or one of the Alternative YQCA trainings.

Youth who completed YQCA training in 2025 are certified for three years and do not need to retake the training. However; if they are moving from a small animal; dog, horse, or static project to a large animal project (Beef, Swine, Goat, or Sheep), they will be required to complete the YQCA training online. Once youth receive their certificate, they will need to email it to [carmin.shelton@oregonstate.edu](mailto:carmin.shelton@oregonstate.edu) or provide a copy to the Crook County Extension Office. Youth that submitted their certifications last year, do not need to re-submit their certificate.

**Certificates are due by June 15th**

## Crook County 4-H Brings the Wow Factor (Again!)

Wow, Crook County 4-H... you outdid yourselves! The baskets at this year's Crook County 4-H Association Benefit Auction were next level!!

Creative, thoughtful, and full of heart. From start to finish, it was clear just how much time, teamwork, and pride went into every single one.

To our clubs, members, leaders, and families, thank you for showing up in such a big way. You didn't just build baskets... you helped build opportunities!

Because of you, the funds raised will go right back into supporting our CC 4-H youth through scholarships, fair premiums, awards, project supplies, and more. That's a pretty amazing ripple effect from a whole lot of hard work and creativity!

We're lucky to have a community like this—fun, generous, and always willing to jump in and make things happen.

*Thank You!*

## Breeding & Static Scholarships Due June 15th by 5 pm | CC Ext. Office

Don't miss this great opportunity to support your 4-H journey and be recognized for your hard work and dedication in your projects!

Make sure applications are completed and turned in on time—late submissions will not be accepted. If you have questions or need assistance, please contact the Extension Office.

# HAPPY BIRTHDAY

Happy Birthday to all our May Crook County 4-H Youth Members, Leaders, and Volunteers!

We hope your day is full of sunshine & smiles! Thank you for all the heart, hard work, and dedication you bring to our 4-H community—this month, we're celebrating YOU!

## GINA HALLAM

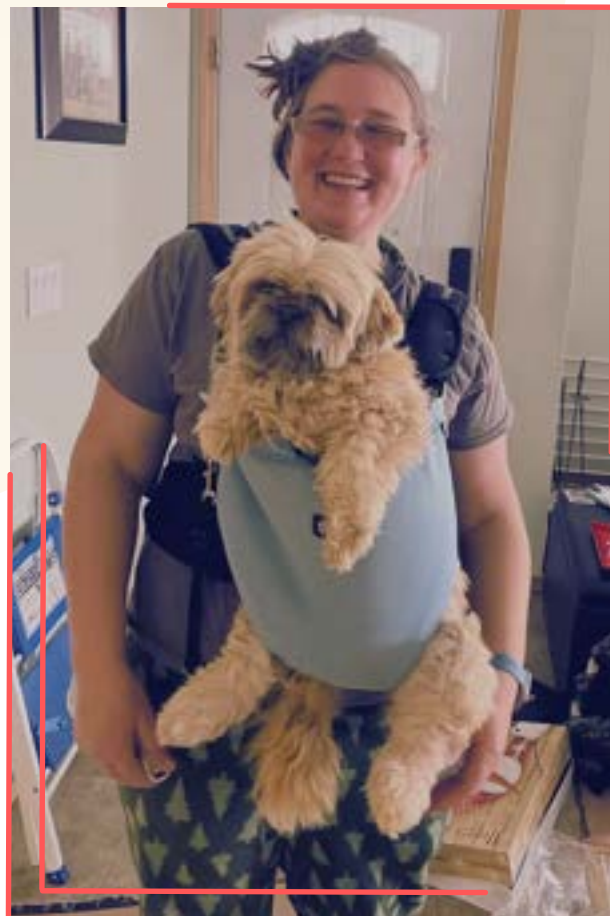

If you hear laughter down the hall, a lively chicken debate, or someone passionately explaining the finer points of poultry care... there's a very good chance Gina is nearby. When Gina is in the room, there is absolutely never a dull moment, and honestly, we wouldn't have it any other way.

Gina is our go-to for all things chickens (and we mean all things—don't get her started unless you've got a little time). From breeds and behavior to fun facts you didn't know you needed, she brings a level of enthusiasm that is equal parts impressive and entertaining. And just when you think the conversation can't get any better, she'll have everyone laughing with her quick wit and perfectly timed humor. But what really makes Gina stand out is her heart. She is incredibly caring and deeply invested in our youth members. She shows up, consistently and wholeheartedly, making sure kids feel supported, encouraged, and confident in what they're doing. Whether it's answering questions, lending a hand, or simply being there when it matters, Gina goes above and beyond without ever asking for recognition.

She brings the fun, the knowledge, and the kind of genuine care that makes a lasting impact. Our program wouldn't be the same without her (and let's be honest... it would be a whole lot quieter too).

We are so lucky to have Gina as part of our 4-H family, chicken facts, laughter, and all!

Never lose your caring spark Gina,  
thanks for all you do!

# MEMBER SPOTLIGHT

## LARRY FITZGERALD

If you know Larry, you know just how special he is. He's the kind of young gentleman who quietly makes a big impression, the sweetest kid you could hope to meet, with manners, kindness, and a work ethic that never goes unnoticed.

Larry might not be the loudest one in the room, but don't let that fool you, his mind is always working. He's incredibly smart (seriously, this kid's got brains), and when he speaks up, it's thoughtful, insightful, and usually right on point. He brings a calm, steady presence that makes him a joy to work with, whether he's tackling a project or helping out wherever he's needed.

And helpful? That might be an understatement. Larry is always willing to lend a hand, step in when something needs to be done, and support those around him without hesitation. He approaches everything with a positive attitude and a willingness to try new things, even if it means stepping a little outside his comfort zone.

He's also impressively knowledgeable about his projects, putting in the time and effort to truly understand what he's doing. It shows in his work, his growth, and the quiet confidence he carries.

Larry may be a bit on the quiet side, but there's a whole lot going on behind the scenes, and it's pretty incredible to watch. We're so proud to have him as part of our 4-H program and can't wait to see all the great things he continues to do!

Keep being you, Larry—you bring kindness, curiosity, and quiet brilliance to everything you do. We're lucky to have you!
